Judge's commentary:

What did you like best about this book? I liked the tale of your journey in trusting Jesus to always be there for you. It was very inspiring and increased my faith in what I need more of in my life. Your journey of faith and your journey through Eastern Europe were fascinating. What courage you displayed! Yet, that courage was always backed up by your faith in Jesus to be with you wherever you were. The pictures added a lot to the book. I enjoyed seeing the happy faces of your team workers and students. Your descriptions were vivid. I felt at times as though I were with you. (I guess I liked a lot about this book.) If you don't win a prize with this book, it is because there are so many excellent books entered this year.

How can the author improve this book? Truthfully, I found no errors or places where I was bored or wanted to turn the pages. I read every page and enjoyed each one. I also liked the discussion questions at the end. Excellent book. Keep it up.
